## CHAPTER – I

### INTRODUCTION

As per Census-2011, the State of Punjab, has the highest percentage of SC population amongst all the States of the Country. The SC population in the State is 88.60 lac which is 31.94% of the total population (277.43 lac) of the State as against 16.6% SC population of the Country. Punjab accounts for 2.3% of total population and 4.3% of SC population of the Country. The decennial growth rate of SC population in the State during the period (2001-2011) was 26.06% as compared to 13.89% for the State as a whole.

**1.2** The SC population in the State is predominantly rural by residence. As per Census 2011, 73.33% SC people live in the rural area, whereas, 26.67% SC people reside in the urban area of the State. Out of the 22 districts, 14 districts in Punjab have 30% or more SC population. These districts are Saheed Bhagat Singh Nagar (42.51%), Sri Muktsar Sahib (42.31%), Ferozpur including Fazilka (42.17%), Jalandhar (38.95%), Faridkot (38.92%), Moga (36.50%), Hoshiarpur (35.14%), Kapurthala (33.94%), Tarn Taran (33.71%), Mansa (33.63%), Bathinda (32.44%), Barnala (32.24%), Fatehgarh Sahib (32.07%) and Amritsar (30.95%).

The female literacy rate of SCs at 58.39% of the State also lags behind that of total 70.73% of the State. However, it is better than the SC female literacy rate at 56.46% of the Country. The SC male literacy rate at 70.66% of the State is also lower than the total male literacy rate of 80.44% of the State.

**1.4** The Gross Enrolment Ratio (GER) (2020-21) for SC students in Punjab Schools is lower for all levels of School Education upto Secondary Level but is marginally higher at Higher Secondary Level than the GER (2020-21) for total students vis-à-vis respective levels as per the report on 'Unified District Information System for Education Plus (UDISE+) 2020-21' published by the

Department of School Education and Literacy, Ministry of Education, Government of India, as illustrated at Fig.6.

**1.5** The Gross Enrolment Ratio (GER): 2019-20 in higher education (18-23 years population) in the State for SC students is lower than the state GER for all students and also the national GER for SC students. As per 'All India Survey on Higher Education (2019-20)', published in 2020 by Department of Higher Education, Ministry of Education, GoI, the GER in higher education in the State for all students is 28.2% and for Scheduled Caste students is 18.8% as compared to the national GER of 27.1% for all students and national GER of 23.4% for SC students. Gender Parity Index (GPI) in Higher Education in the state for all students is 1.28 and for Scheduled Castes Students is 1.42 as compared to the national GPI of 1.01 for all students and national GPI of 1.05 for Scheduled Caste students.

**1.6** Out of total SC population, SC labour force constitutes 35.88%, comprising 79.20% and 20.80% main and marginal workers respectively. The majority of these are agricultural labourers or are engaged in low wage and arduous occupation. Out of total 31,79,438 SC workers (main and marginal), 25,03,875 (79%) are male workers and 6,75,563 (21%) are female workers.

**1.7** Out of total 12,168 inhabited villages in the State, 57 villages have 100% SC population and 4,799 (39.44%) villages have 40% or more SC population. 2800 (23.01%) villages have 50% or more SC population. The detail regarding these villages/towns is available on the Website [www.welfarepunjab.gov.in](http://www.welfarepunjab.gov.in) under link 'Directorate of SCSP'.

**1.8** As per Census-2011, SC households are 18.67 lac comprising 34.51% of total households (54.10 lac) in Punjab State and 4.22% of total 442.27 lac SC households in the Country. Out of total households (54.10 lac), 3.60 lac (6.65%) households are residing in dilapidated houses, including 2.13 lac SC households (59.27%).

**1.9** There are 39 castes in the list of Scheduled Castes (under Article 341 of the Constitution) in the State. As per Census-2011, the caste-wise population and literacy data of SC community is available at Table-12 and Table-13 respectively, at Part-III of this document.

**1.10** As per Census-2011, there are 6.54 lac disabled persons in the State, out of which 2.33 lac (35.63%) persons belong to SC community that forms 2.63% of the total SC population.

**1.11** As per National Family Health Survey (NFHS-4, 2015-16), the infant mortality rate in Punjab is 29 deaths before the age of one year per 1000 live births, whereas it is 40 deaths per 1000 live births for Scheduled Castes. The infant mortality rate for Scheduled Castes is almost twice as compared with the infant mortality rate for other backward class children (21 deaths per 1000 live births) and for those children who are not from Scheduled Castes or other backward classes (22 deaths per 1000 live births). The prevalence of anemia (low levels of hemoglobin in the blood) has been found quite high amongst all population groups in Punjab. More than half of women (53.5%) aged between 15-49 years have anemia and 56.6% children aged between 6-59 months are anemic, whereas 56.9% Scheduled Caste women and 60% Scheduled Caste children from the same age groups are anemic.

### Initiatives for Development of Scheduled Castes

**1.14** Scheduled Castes are the disadvantaged section of the society due to socio-economic exploitation and isolation since a long time. Article 46 of our Constitution describes that “the State shall promote with special care, the education and economic interests of the weaker sections of the people, and in particular of the Scheduled Castes and Scheduled Tribes and shall protect them from social injustice and all forms of exploitation”. Protection of Civil Rights (PCR) Act, 1955 & Prevention of Atrocities (POA) Act, 1989 – have been enacted for protection of SCs from social discrimination like untouchability, exploitation and atrocities. There is a statutory Commission viz. National Commission for Scheduled Castes that has an important role in safeguarding the rights and interests of the SCs. Punjab State Commission for Scheduled Castes was also

constituted on 16.2.2004 under 'The Punjab State Commission for Scheduled Castes Act, 2004' to protect and safeguard the interests of the Scheduled Castes in the State of Punjab.

**1.15** During the first four Five Year Plans the strategy followed for the development of SCs was removal of untouchability (PCR Act, 1955), improving social status by providing them educational and economic opportunities, subsidized housing, various agricultural programmes, financial assistance through Finance Corporations, 20-Point Programme to improve their living conditions which was mainly welfare oriented. In spite of constitutional safeguards, directives and a number of legislative and executive measures taken by the Ministry of Social Justice and Empowerment, Govt. of India and the State Governments, the condition of Scheduled Castes did not improve much during the period prior to Sixth Five Year Plan (1980-85) mainly due to lack of economic support. The SC population, therefore, was deprived off the benefits and could not get its due share out of development made under various plan programmes launched by Government of India both under the Macro and Micro Plans. In Sixth Five Year Plan (1980-85), a new approach aiming at Rapid Socio-Economic Development of Scheduled Castes, in consonance with the Directive Principles, was evolved to ensure flow of benefits from the general sectors to these people at least in proportion to the percentage of SC population of the State. Seventh Five Year (1985-90) and Eighth Five Year (1992-97) Plans put emphasis on economic development for individual families and groups of families of SCs, liberation of scavengers and provision of employment to the sanitation workers, enactment of the Prevention of Atrocities (POA) Act, 1989 (amended in 2015) and promotion of Voluntary Organizations for training and mobilizing community resources. The Ninth Five Year (1997-02) and Tenth Five Year (2002-07) Plans emphasized 'SCs Participation' in the development process through Panchayati Raj Institutions and the strategies adopted are Social Empowerment; Economic Empowerment; Social Justice to accelerate the on-going process of improving the socio-economic status of the SCs. The Eleventh Five Year (2007-12) Plan brought in the concept of "Inclusive growth" coupled with the benefits of

economic reforms to provide benefits to the Scheduled Castes in terms of education, standard of living, health and nutrition. The Twelfth Five Year (2012-17) Plan aimed at reducing vulnerability of the marginal societies and envisaged the effective implementation of Scheduled Castes Sub Plan (SCSP). The 12th Five Year Plan was the last of these plans.

### **Strategy for Development of SCs**

**1.16** The strategy was evolved with the broad objective to bring about comprehensive socio-economic and educational development of Scheduled Caste people, who are the most marginalized, oppressed and deprived section of our society and constitute nearly one-third of the total population of the State. Poverty, malnutrition, mortality, unskilled jobs coupled with lack of daily employment are the main areas of concern for the development of SCs. Improvement in the condition of SCs is feasible through increased industrialization by linking the activity/occupation of SC population by providing them technical skills for vocational jobs. This strategy is a combination of the following two important instruments :-

#### **I. Scheduled Castes Sub Plan (SCSP)**

Scheduled Castes Sub Plan is a flow of funds from the overall Plan Outlay of the State at least in proportion to the percentage of SC population of the State. These funds are utilized for socio, economic and educational development of SC people in the State. To implement the SCSP in a more effective manner, State Cabinet in its meeting held on 20.01.2014 had taken many policy decisions, the detail of which is being explained in para 2.5 and para 2.6 of Chapter-II.

#### **II. Special Central Assistance (SCA) to the Scheduled Castes Sub Plan**

Special Central Assistance (SCA) to the Scheduled Castes Sub Plan (Now Grants-in-aid for District/State-Level Projects for Socio-Economic betterment of SCs) is a 100% grant provided by the Ministry of Social

Justice and Empowerment, Govt. of India to the State in lump sum for the economic development of Scheduled Castes families living below the poverty line in the State.

### **Sustainable Development Goals (SDGs)**

**1.17** Sustainable Development Goals (SDGs) were adopted by 193 countries of United Nations General Assembly in the year 2015 and came into force on 01<sup>st</sup> January, 2016. The SDGs have 17 Goals and 169 related targets to be achieved by the year 2030. The spectrum of the SDGs range from poverty eradication, human health and sanitation to urban settlements and to safeguarding the global ecosystems on which humanity depends for its survival. India is fully committed to achieving the Global Goals within the specified timelines. To coordinate all the SDG efforts at the national and sub-national levels, NITI Aayog acts as the nodal institution. In all, 306 indicators have been outlined to achieve 169 global targets under the 17 goals. NITI Aayog has defined 62 indicators as priority national indicators against 13 goals (except goal No. 12, 13, 14 & 17).

**1.18** Goal No. 10- 'Reduce inequality within and among countries' of Sustainable Development Goals (SDGs) calls for progressively reducing not only income inequalities but also inequalities of outcome by ensuring access to equal opportunities and promoting social, economic and political inclusion of all, irrespective of age, sex, disability, race, ethnicity, religion or other status relevant within a society. "Percentage of Scheduled Castes Sub Plan Fund utilized" is one of the priority indicator of Target No. 10.4- 'Adopt policies, especially fiscal, wage and social protection policies and progressively achieve greater equality' under Goal No. 10. This priority indicator has been assigned National Target Value as 100 for 2030 i.e. to ensure 100 percent utilization of SCSP funds by the year 2030.

## CHAPTER – II

### SCHEDULED CASTES SUB PLAN

#### Concept

The concept of Scheduled Castes Sub Plan was envisaged by the erstwhile Planning Commission of India (now NITI Aayog) at the time of formulation of Sixth Five Year Plan (1980-85) with the objective to ensure adequate benefits under SCSP for socio-economic and educational development of Scheduled Castes both in physical and financial terms by providing funds, out of total allocation of the State Plan, at least in proportion to the percentage of SC population in the State. The Commission emphasized that developmental needs and priorities of SCs, because of their historic deprivation, would require even larger proportion of plan outlays than their population percentage. This plan is envisaged to help the poor Scheduled Caste families through composite income generating programmes/schemes by covering all the major occupational groups such as agricultural labourers, small and marginal farmers, share-croppers, fishermen, sweepers and scavengers, unorganised urban labourers living below the poverty line etc. The Scheduled Castes Sub Plan also seeks to improve the living conditions of the Scheduled Castes through provision of drinking water supply, link roads, house-sites, housing improvements, basic minimum services such as primary schools, health centres, veterinary centres, panchayat ghars, community halls, nutrition centres, extension of electricity and common work places/ facility centres, etc in the Scheduled Caste basties under the Minimum Needs Programme to improve their access to social, educational and other community services. Accordingly, efforts are being made by the State Govt. for the socio-economic and educational development of SCs under the Scheduled Castes Sub Plan by introducing new schemes and restructuring the existing schemes on the basis of their felt needs.

## **Broad Objectives and Strategy**

**2.2** The scope of land based activities for Scheduled Castes in the State is very limited due to small size land holdings. Land being a scarce commodity has a very high price. Therefore, there is hardly any scope to increase the size of holdings of Scheduled Castes. Since, major bulk of these holdings is un-economical, un-viable and also spread over the State and interspersed with the non-SC holdings, the main thrust for the development of Scheduled Castes is, therefore, economic development through education, training, skill development, providing necessary linkages and basic infrastructure development facilities on priority basis in the areas predominantly inhabited by the Scheduled Castes to enable them to settle in employment/self employment ventures. Broad objectives for the socio-economic development of SCs are as follows :-

### **Objectives**

- i) Conservation of whatever assets, the Scheduled Castes have;
- ii) Updating and/or providing of new skills to improve their employability or productivity;
- iii) Enabling them to acquire special education/technical qualifications and avail existing as well as the newly emerging opportunities etc;
- iv) Economic development through comprehensive and integrated beneficiary oriented programmes for individual/families/group of families for raising their income;
- v) Ensuring minimum wages of agricultural labour, preventing their exploitation by others in any way;
- vi) Basti/cluster oriented schemes to bring about significant and tangible improvement in the working and living conditions in SC inhabitations;
- vii) Substantial reduction in poverty and un-employment;
- viii) Human Resources Development of Scheduled Castes by providing adequate educational and health Services;
- ix) Diversification of occupation, up-gradation of skills and promotion of occupational mobilities to remove disproportionate burden on them in

- occupations like agriculture labour and other unpleasant and strenuous works so that human resources are optimally developed and utilized;
- x) Elimination of layer of exploitive middlemen by providing marketing facilities to ensure better prices of products for artisans and other occupational group;
  - xi) Provision of physical and financial security against all types of exploitation and oppression; and
  - xii) Doing all what is necessary to tackle and eradicate the social problem i.e. atrocities against the Scheduled Castes.

### **Strategy**

- i) Pursuing the indicated objectives, ensuring adequate thrust on economic and educational development of Scheduled Castes;.
- ii) The Scheduled Castes Sub Plan of the State should provide for fully meeting the minimum needs/basic amenities of all the Scheduled Castes habitations with a view to improve their standard of life;
- iii) The Scheduled Castes Sub Plan should also provide for a judicious mix of beneficiary oriented programmes and human resource development for SCs;.
- iv) The schemes taken up should be viable and as far as necessary innovative in a way to diversify Scheduled Castes into newer areas of economic activities;
- v) There should be provision for meeting the backward and forward infrastructure needs;
- vi) The delivery systems have to be effective;
- vii) The organization and association of the beneficiary groups should be given the preference;
- viii) One of the identified gaps has been the need for inculcation a sense of commitment and urgency in the policy making and implementing machinery to fulfilling the objective of development of Scheduled Castes on the desired lines and their integration with the main stream; and
- ix) The Voluntary Agencies/Registered Societies should be suitably associated to supplement the efforts of the State Govt. for the development/upliftment of SCs in the State.

## Policy Decisions

- i) A separate Directorate i.e. Directorate of Scheduled Castes Sub Plan will be set up under the administrative control of the Welfare Department (now Social Justice, Empowerment and Minorities Department) and made the nodal department for formulation, monitoring and implementation of SCSP/SCA schemes;
- ii) The size of the Scheduled Castes Sub Plan will be determined by the Directorate of SCSP on the basis of scheme-wise SCSP outlays determined in consultation with the concerned Administrative Departments as soon as the scheme wise outlays and size of the State Annual Plan is determined by the Planning Department.
- iii) The Scheduled Castes Sub Plan document will be placed in the legislature along with other budget documents. State budget will be presented after incorporating the SCSP outlays therein.
- iv) SCSP budgeted allocation will be booked under a separate minor head –789-“SCP for SCs” to avoid diversion of SCSP funds to the general sectors;
- v) A separate sub-head will be opened under the Receipt Head of the State Govt. to avoid diversion of SCA funds and to maintain the accountability of these funds;
- vi) To have the desired impact under the programmes for the Welfare of SCs, cluster-cum-saturation approach will be adopted as far as possible. Thus, the coverage of families should not be in small number spread over large areas in reference to the existing opportunities. The development package offered should be made more comprehensive and viable by covering benefits and facilities available under other schemes also to the identified beneficiaries. This will enable the SC families to consolidate their position and ward off any threat to their security in an effective manner. This will also ensure better provision of common facilities and services and their effective implementation, supervision, monitoring and feed back.
- vii) Setting up and upgradation of educational/health/veterinary institutions, adult education centres, anganwari centres under ICDS, opening of offices of co-operative milk producers society and milk collection centres should be located in or near the vicinity of SC mohallas/ localities. Similarly, basic facilities for the community such as water supply, sewerage, sanitation etc. should be located in the mohalla/villages/towns/blocks predominantly inhabited by SC population

(40% or more) and the entire expenditure on this account should be booked under SCSP although the general population of these areas will also avail these facilities.

- viii) The ADC (Development) in each district will be the Nodal Officer under the overall control of Deputy Commissioner of the concerned district for formulation, implementation, monitoring/review and co-ordination of programmes and schemes falling under the district level SCSP/SCA. The concerned District Welfare Officer (now District Social Justice and Empowerment officer) will provide necessary secretariat assistance to the ADC (D) as is being done by Deputy E.S.A. in case of district plan schemes.
- ix) The Concerned District Head/ District Welfare Officer will intimate the Welfare Department, the physical targets to be achieved under each SCSP scheme and also specify the area of operation and beneficiaries/families to be covered to enable the Welfare Department to have on the spot checking of the working and implementation of the schemes to see as to whether these schemes are being implemented in the right spirit and beneficiaries covered are genuine.
- x) The District Head of the concerned departments/ District Welfare Officer will supply the monthly, quarterly and annual physical and financial achievements under SCSP/SCA to ADC (Dev.) who in turn will supply the scheme-wise/department-wise consolidated statement for the district in the prescribed proforma to the Director (SCSP)-cum-Joint Secretary, Welfare Department (now Social Justice, Empowerment and Minorities Department).
- xi) The Heads of Departments concerned with the Decentralized Planning are also required to monitor, supervise and guide the implementation of the district level schemes of their respective departments and to take appropriate measures to ensure that the target fixed for each scheme is achieved.

## **Scheduled Castes Sub Plan-Formulation Process and Budgetary Mechanism**

### **Formulation Process**

**2.3** As per the detailed guidelines issued by the erstwhile Planning Commission of India (**Annexure-I, Annexure-II, Annexure-III and Annexure-IV** - available at GOI guidelines link under the section 'Directorate of SCSP' of the departmental website [www.welfarepunjab.gov.in](http://www.welfarepunjab.gov.in)) regarding

the Scheduled Castes Sub Plan, the objective of SCSP is to channelize the flow of outlays and benefits from the general sectors of the State Plan for the development of Scheduled Castes at least in proportion to their population both in physical and financial terms. Further, SCSP should be an integral part of the State Annual Plan as well as Five Year Plan by making non-divertible provisions, therein, with the clear objective of bridging the gap in socio-economic and educational development of Scheduled Castes. To fulfill these objectives, Govt. of India has recommended the Action Plan as under:-

- i) Earmarking of funds for Scheduled Castes Sub Plan from the total State Plan Outlay at least in proportion to SC population to the total population of the State/UT.
- ii) Making the Social Welfare Department/the Department concerned with the welfare and development of SCs as the nodal department for formulation and implementation of SCSP.
- iii) Placing the funds earmarked for SCSP at the disposal of the nodal department concerned which in turn will reallocate these funds to the sectoral departments for implementing the schemes directly relevant to SC development.

- i) A separate Directorate i.e. Directorate of Scheduled Castes Sub Plan has been set up under the administrative control of the Welfare Department (now: Department of Social Justice, Empowerment and Minorities) and made the nodal department for formulation and monitoring the implementation of SCSP/SCA schemes;
- ii) The size of the Scheduled Castes Sub Plan is determined by the Directorate of SCSP on the basis of scheme-wise SCSP outlays determined in consultation with the concerned Administrative Departments as soon as the scheme wise outlays and size of the State Annual Plan is determined by the Planning Department.
- iii) The Scheduled Castes Sub Plan document is being placed in the legislature along with other budget documents. State Plan budget is presented after incorporating the SCSP outlays therein.
- iv) SCSP budgeted allocation is being booked under a separate minor head –789-“SCP for SCs” to avoid diversion of SCSP funds to the general sectors;
- v) A separate sub-head has been opened under the Receipt Head of the State Govt. to avoid diversion of SCA funds and to maintain the accountability of these funds;
- vi) The ADC (Development) in each district has been declared the Nodal Officer under the overall control of Deputy Commissioner of the concerned district for formulation, implementation, monitoring/review and co-ordination of programmes and schemes falling under the district level SCSP/SCA for the respective districts. The concerned District Welfare Officer (now: District Social Justice and Empowerment officer) will provide necessary secretariat assistance to the ADC (D) as is being done by Deputy E.S.A. in case of district plan schemes.
- vii) The Concerned District Head/ District Welfare Officer will intimate the Welfare Department, the physical targets to be achieved under each SCSP scheme and also specify the area of operation and beneficiaries/families to be covered to enable the Welfare Department to have on the spot checking of the working and

implementation of the schemes to see as to whether these schemes are being implemented in the right spirit and beneficiaries covered are genuine.

- viii) Out of total 12,168 inhabited villages in the State, 4799 villages (39.44%) with 40% or more SC population (on the basis of Census 2011) have been identified to provide infrastructure facilities to the SC inhabitations on priority basis;
- ix) State Level, District level and Block level Vigilance and Monitoring Committees have been constituted for review/monitoring of SCSP/SCA schemes at the grass root level **(Annexure-C, Annexure-D and Annexure-E)**
- x) A Monitoring Cell has been established in the Directorate of SCSP to evaluate the SCSP/SCA schemes on regular basis. This Cell has already done evaluation of SCA schemes implemented during the years 2008-09 to 2014-15 and yearly reports in this regard have already been submitted to the Ministry of Social Justice and Empowerment, GOI. The survey work for collection of feedback from the beneficiaries covered under SCA programme during 2015-16 is underway and the evaluation report for this year will be prepared and sent to the Ministry, shortly.

### **Size and Performance under the Scheduled Castes Sub Plan since 8<sup>th</sup> Five Year Plan (1992-97)**

**2.8** As per guidelines of the erstwhile Planning Commission of India, the size of Scheduled Castes Sub Plan out of the total State Plan outlay should be at least in proportion to the percentage of SC population of the State. However, the size of SCSP remained lower than the percentage of Scheduled Castes population in the State up to 9<sup>th</sup> Five Year Plan period (1997-02). Since 2003-04, the size of SCSP is being made at least in proportionate to the percentage of SC population of the State. The financial performance under the Scheduled Castes Sub Plan during 8<sup>th</sup>, 9<sup>th</sup> and 10<sup>th</sup> Five Year Plan period remained between 46% and 66%. The performance during 11<sup>th</sup> Five Year Plan remained between 52% and 71%. The performance during 12<sup>th</sup> Five Year Plan remained between

67% and 113%. The year-wise detail of performance under SCSP as compared to the State Plan Outlay since 10<sup>th</sup> Five Year Plan is given as under:-

**2.9** From the year 2014-15, SCSP has been formulated/implemented as per the following criterion and decision of the CMM dated 20.01.2014, to

the extent possible. While determining the SCSP outlay under various schemes, the following factors/criterion have been taken into account :-

- Actual flow of beneficiaries under the beneficiary oriented
- SC population of the State,
- Enrolment of SC students in the Educational Institutes,
- Reservation policy in Admissions/Services,
- SC dominated villages having 40% or more SC population and
- Agricultural land holding owned by Scheduled Castes.

**2.10** Efforts are being made to further rationalize the SCSP schemes to formulate the new schemes and restructure the existing schemes to the extent possible, as per the felt needs of SC people in consultation with the implementing departments.

#### **Scheduled Castes Sub Plan since 2017-18**

**2.11** The 12<sup>th</sup> Five Year Plan was the last Five Year Plan. Ministry of Finance, Government of India had issued guidelines on 23.08.2016 to the states for merger of Plan and Non-Plan outlays. Para 66-68 (**Annexure-F**) of these guidelines relates to “Earmarking of funds for Scheduled Castes Sub Plan (SCSP) and Tribal Sub Plan (TSP).” With the merger of plan and non-plan allocations, the quantum of allocation for schemes will be higher in those cases where non-plan provisions also form part of a scheme or in case where separate non-plan schemes are in existence. To take care of such potential imbalance and ameliorate the problem of unrealistic earmarking of funds for SCSP/TSP, the followings are suggested in the guidelines dated 23-8-2016:-

- (i) the percentage share of SC/ST components of scheme, allocations should not be lower than the level provisioned in Budget estimates of 2015-16 and 2016-17 (average of absolute level of expenditures on SC/ST to the total plan allocation at BE stage) would be considered;

- (ii) The exclusion of demands related to complete Department, or specific schemes, therein from such mandatory provision would be specifically spelt out;
- (iii) For the existing schemes, percentage allocation may be reviewed. The percentage earmarking for the allocation may be worked out considering the scope of each of their schemes for such earmarking.
- (iv) With the removal of distinction between Plan and Non Plan, the allocation for SCSP/TSP will need to be based as a certain % of scheme allocations in the identified Demands for Grants. With non plan component inflating the denominator, the actual SC/ST earmarking would need to equal at least average of absolute level of expenditures on SC/ST to the total Plan allocation at BE stage in those years and
- (v) After deciding the list of exclusions, the allocations for SC/ST components will be earmarked from the eligible provisions.

**2.12** In view of the position explained in para 2.11 above and the provisions of the notification dated 10.02.2014, the size of the Scheduled Castes Sub Plan (SCSP) from the year 2017-18 onwards is being determined out of the eligible portion of the development budget segment of the State Budget's Estimates of Expenditure of the relevant year. The detail is as under:-

**( ₹ Crore)**

Year	Estimates of Expenditure (Eligible portion)	Scheduled Castes Sub Plan			
		Estimates of SCSP Expenditure (out of Col. 2)	%age of Col.3 to Col. 2	Expenditure	%age Performance Col. 5 to Col. 3

2021-22	33399.14	11569.48	34.64	8370.88 (Tentative)	72.35

**2.13** The size of SCSP for 2022-23 has been pegged at ₹ 12991.50 Crore which is 33.26% of the State Budget's Estimates of Expenditure (eligible portion for determination of SCSP outlay) of ₹ 39065.19 Crore for 2022-23. The detail is as given below:-

**2.14** During 2022-23, out of SCSP allocation of ₹ 12991.50 Crore, the funds amounting to ₹ 3199.41 Crore are likely to be spent as Centre Share under various Centrally Sponsored Schemes. In addition, Special Central Assistance of ₹ 60.00 Crore is likely to be utilized under the Central Sector Scheme “**Special Central Assistance (SCA) to Scheduled Castes Sub Plan (SCSP)** (Now Grants-in-aid for District/State-Level Projects for Socio-Economic

betterment of SCs)" during 2022-23. Accordingly, total expenditure of ₹ 13051.50 Crore is likely to be incurred under SCSP during 2022-23, including ₹ 662.92 Crore to assist 47,309 Scheduled Caste families and about 2.00 lac Post Matric SC students under Point No. 11(i) of 20 Point Programme.

For achieving maximum progress under this indicator, the nodal department for SCSP is sensitizing the implementing departments to utilize maximum funds under SCSP. To ensure this, monitoring of SCSP funds is being done in association with state Finance Department.

#### **Concept**

The Ministry of Social Justice and Empowerment, Government of India had launched a Central Sector Scheme “**Special Central Assistance (SCA) to Scheduled Castes Sub Plan (SCSP)**” in the year 1979-80. Special Central Assistance is an additive to the Scheduled Castes Sub Plan of the State and is not linked to any particular programme or scheme.

SCA to SCSP is one of the components of PMAJAY and Ministry of Social Justice and Empowerment has now renamed SCA to SCSP as “**Grants-in-aid to Districts/States for socio-economic betterment of SCs**”.

**4.2** Under Grants-in-aid to districts/states a lump sum amount is released to the States and formulation of schemes and schematic allocation is done by the States. State Governments have been given full flexibility to formulate the SCA schemes and schematic allocation at their own level keeping in view the felt needs of SC people which may vary from State to State and even from District to District within the State. The Annual Action Plan prepared by the State Govt. is appraised and approved by Project Appraisal Committee of Ministry of Social Justice & Empowerment, Govt. of India. The status of women varies from State to State across the Country. Punjab State is acknowledged as one of the States where women's status is quite satisfactory. The State is influenced by the preachings of Gurus and Saints, who had particularly stressed upon the equality of women and preached against child marriages, female foeticide, sati pratha and illiteracy among the women. To empower the Schedule Caste girls/women in the State, various programmes are being implemented/initiated by the State Govt. to uplift their educational, social and economic status.

**PART-IV**

**GUIDELINES AND NOTIFICATIONS**

**GOVERNMENT OF PUNJAB  
DEPARTMENT OF WELFARE  
(DIRECTORATE OF SCHEDULED CASTES SUB PLAN)**

**Notification**

**the 10<sup>th</sup> February, 2014**

**No. RO(SCSP)-76/2014/ 712** The Governor of Punjab is pleased to issue the following guidelines regarding implementation of Scheduled Castes Sub Plan(SCSP) in the State :-

- (i) The SCSP size will be made proportionate to the percentage of SC population of the State out of the total Annual Plan allocation including the non-budgeted allocation on the pattern of the State Annual Plan.
- (ii) The SCSP funds will not be divertible but will be lapsable on the pattern of the State Annual Plan funds. The funds booked under SCSP can only be diverted by a committee under the Chairmanship of Secretary Welfare with one representative each from the finance and the planning departments. However, no diversion of SCSP funds will be made to the general sector.
- (iii) The department of welfare will be the nodal department for formulation and monitoring of the implementation of SCSP. In case of schemes exclusively meant for SCs, the implementing departments will formulate the schemes in consultation with the welfare department. However, in case of general plan schemes, the implementing departments will consult the welfare department only regarding the SCSP components of those schemes.
- (iv) The concerned implementing departments will be fully responsible for proper implementation of SCSP schemes/ components, audit and reconciliation of accounts for these schemes/components from the

Accountant General (Audit), Punjab and replies to the Punjab Vidhan Sabha/Public Accounts Committee and any other function which is required to be performed as a head of the department for implementation of plan schemes including the SCSP schemes/components.

- (v) The allocation under SCSP schemes/components included in the SCSP budgeted allocation will continue to be booked in the Minor Head-789-“SCP for SCs” below the major/sub-major head under the respective demand of the concerned implementing departments.
  - a) In case of non beneficiary oriented schemes, a portion equal to SC population (~32%) will be booked under SCSP.
  - b) In case of irrigation and agriculture departments, where SC beneficiaries are substantially less, only half of the portion equal to SC population (~16%) will be booked under SCSP.
  - c) The beneficiary oriented schemes will be further put under two categories. One, where the percentage of SCSP is less than portion equal to SC population (<32%) and the other, where the percentage will be equal or more than the portion equal to SC population (≥32%).
  - d) As per the guidelines of the Planning Commission, the expenditure incurred on the infrastructure created in the villages having 40% or more SC population, can be fully booked under SCSP expenditure. Therefore, under such schemes, 40% allocation will be booked under SCSP.
  - e) The percentages under SCSP schemes/components will be worked out by the welfare department in consultation with the departments based on historical data and future trend within the overall SCSP component determined on the basis of resources finalised by the Planning Commission, GOI/ Finance Department, Punjab.

- (vi) The concerned administrative departments will seek the concurrence of the welfare department in accordance with the instructions issued for the clearance of plan schemes by the planning department from time to time regarding the beneficiary oriented SCSP schemes/components, wherein, the direct benefit accrues to the individual or the families belonging to the Scheduled Castes. The identification of beneficiaries oriented schemes/components will be done by the welfare department in consultation with the implementing departments. However, the approval of both the general and Special Component Plan (now SCSP) will be accorded by the Punjab State Planning Board through the usual process being followed for the approval of Five Year/Annual Plans.
- (vii) The department of welfare will prepare as many schemes as possible directly benefitting the SC population. The planning department will endeavour to include as many schemes as possible in the Annual Plan with the requisite allocation.
- (viii) The department of welfare will enhance/reduce the scheme-wise/component-wise SCSP allocation in consultation with the departments within the revised plan size indicated by the finance department, Punjab at the time of finalisation of revised estimates/supplementary for the Plan Budget.
- (ix) The inclusion/deletion of SCSP schemes/components will be done by the welfare department in consultation with the departments within the revised plan size indicated by the finance department, Punjab at the time of finalisation of revised estimates/supplementary for the Plan Budget.
- (x) The prior approval, if required, for any issue relating to formulation of SCSP which is within the purview of the finance department as per Allocation of Business Rules will be obtained.

- (xi) The department of welfare, being the nodal department, in case faces any problem in formulation and monitoring the implementation of SCSP, will take necessary action in consultation with the department of planning and the department of finance

2. This supersedes the instructions issued vide No. 3/2/2003-SA-II/474, dated 11-3-2003 regarding implementation of Special Component Plan (Now SCSP) in the State on the basis of 'Maharashtra Model'

### “Earmarking of funds for Scheduled Castes Sub Plan (SCSP) and Tribal Sub Plan (TSP)

66. The present system of earmarking of funds for the Scheduled Castes and the Scheduled Tribes viz. Tribal Sub Plan (TSP) and Scheduled Castes Sub Plan (SCSP) is done on the basis of allocation of a certain percentage of Plan allocation of Ministries/Departments. **The percentage allocation by different Ministries/departments for TSP/SCSP is as per earmarking decided by the erstwhile Planning Commission and is further distributed amongst the various plan schemes implemented by the Ministry.** The percentage earmarking of SCSP/TSP so allocated varies from Ministry to Ministry keeping in view the scope of their schemes and their role in such social interventions. Certain Departments, such as Department of Space, where expenditure can't be attributed to an individual were totally excluded from SC/ST provisions. With the removal of distinction between plan and non-plan, the allocation for SCSP/TSP will need to be based as a percentage of total schemes allocations, including both plan and non-plan provisions (for both Central sector and centrally sponsored schemes in the case of the Centre and similarly for both centrally sponsored schemes and state government schemes at the level of the State Governments). The present percentage allocation to different Ministries /Departments was done by the erstwhile Planning Commission in a manner that ensured earmarking in proportion to the ratio of the Scheduled Caste and Scheduled Tribe populations, while ensuring overall 22.5 percent of the plan allocation (15% for Scheduled Castes and 7.5% for Scheduled Tribes).

67. In this regard, doubts have been raised by some State Governments and Financial Advisers that with the merger of plan and non-plan allocations, the quantum of allocation for schemes will be higher in those cases where non-plan provisions also form part of a scheme or in case where separate non-plan schemes are in existence. To take care of such potential imbalance and ameliorate the problem of unrealistic earmarking of funds for SCSP/TSP, the following are suggested:-

- (i) SCSP/TSP is the key instrumentality for ensuring adequate public outlays for SCs/STs. Hence, while giving flexibility Ministries/ Departments to classify scheme outlays as Scheduled Caste Component/Tribal component, it would also be clearly mandated that the percentage share of SC/ST components of scheme allocations in the Ministry/ Department's budgetary outlay should not be lower than the level provisioned in Budget estimates of 2015-16 and 2016-17 (average of absolute level of expenditures on SC/ST to the total plan allocation at BE stage) would be considered.
- (ii) The exclusion of demands related to complete Ministry/ Department, or specific schemes therein from such mandatory provision would be specifically spelt out by Ministry of Finance. A suggested list of such excluded Ministries/Departments based on nature of their operations and the scope of their interventions for SC and STs could be Atomic Energy, Civil Aviation, Coal, Communications & IT, Corporate Affairs, Defence, Earth Sciences, External Affairs, Finance, Heavy Industry & Public Enterprises, Information & Broadcasting, Mines, New & Renewable Energy, Personnel, Petroleum & Natural Gas, Power, Road Transport & Highways, Science & Technology, Shipping, Space, Statistics & Programme Implementation, Steel, Urban Development, Water Resources,

Railways, etc. Certain expenditures such as Establishment (earmarking taken care at recruitment stage itself), equity support, Finance Commission grants to States, etc, would also be excluded from SC/ST earmarking.

- (iii) For the existing schemes the concerned Governments may review the percentage allocation for each Ministry/Department. The percentage earmarking for the Ministry/Department may be worked out considering the scope of each of their schemes for such earmarking. For the Centre, the existing arrangement of Ministry/Department wise SC/ST allocations along with the specific percentage allocations as well as those exempted from such mandatory earmarking will be reviewed keeping in view the trends/changes in allocations post the winding up of the Planning Commission.
- (iv) The SC/ST allocation would be essentially confined to Central sector and CSS. With the removal of distinction between Plan and Non Plan, the allocation for SCSP/TSP will need to be based as a certain % of scheme allocations in the identified Demands for Grants With non plan component inflating the denominator, the actual SC/ST earmarking would need to equal atleast average of absolute level of expenditures on SC/ST to the total Plan allocation at BE stage in those years;
- (v) After deciding the list of exclusions allocations for SC/ST components will be earmarked from the eligible provisions on central sector schemes and centrally sponsored schemes. The 2016-17 ratio of expenditure for SC/ST as % total scheme expenditure would be maintained, if not increased further on immediate basis to make it at least 22.5% of the total provisions.

State Governments will, as per their practice, be free, subject to NITI advice in para 68 below, to devise their own norms for earmarking the fund for SC and ST components, subject to compliance with Centre's directives/allocations in case of centrally sponsored schemes."

68. NITI has further suggested to take note of the following while finalizing the guidelines on earmarking of funds for the SC/ST:

While finalizing the guidelines for earmarking of funds for the SC/ST, NITI has suggested that the following may be taken into account by both Centre and the States.

- (i) Need to create a facilitation mechanism/ administrative structure for the identified nodal Ministry/Department which would be entrusted with the task of monitoring the SCSP and TSP;
- (ii) Either the Finance Department or the Departments dealing with the Welfare of the Scheduled Castes and Scheduled Tribes may be the nodal agency for monitoring of SCSP/TSP at the State/UT level;
- (iii) Appropriate instructions be issued to States/UTs to reflect budgetary provisions in the State budgets of various Departments with provision for collating such provisions as an aggregate;
- (iv) Instructions be issued to Central Ministries/states to follow the prescribed reporting systems and collation of such information from all sources at one single control/responsibility point. Instructions should also include following of the guidelines issued by the erstwhile Planning Commission/NITI Aayog regarding formulation and implementation of sub-plans.
- (v) An e-Governance system be in place for reporting and monitoring system (both in terms of financial expenditure and outcomes)"
